HANDCRAFTED IN GERMANY

BRABUS and Stockinger have a lot in common. It is always the customer's individual requirements that play the leading part. Both companies offer their customers state-of-the-art products and services. Each car refined by BRABUS is one of a kind, and so is each safe manufactured by Stockinger as it is custom-made to meet the client's most sophisticated needs. Following the Brabus' motto "expect the unexpected" Stockinger has created a unique product which harmoniously combines secure technology and luxurious elegance of design.

THE EXCLUSIVE "BRABUS" SAFE EDITION IS LIMITED TO 25 PIECES.

Hallmarks of luxury such as the leather interior, wood inlay work, high gloss lacquer finish and other design elements typical for BRABUS-refined cars create the exciting beauty of the Stockinger safe BRABUS. For collectors of fine watches the safe will be equipped with state-of-the-art watch winders to keep the exceptional timepieces not only safe but also running.
