

BESPOKE SAFES SINCE 1978  
**STOCKINGER**

# CERTIFICATE

Stockinger Safety First Class GmbH is a German manufacture that is well known for its exclusive Stockinger safe systems for more than 40 years now.

Stockinger safes are subjected to an ongoing and independent examination under the very strict EU norm 1143/1. Stockinger safes carry the high VDS rating VDS III (IV) according to EU norm 1143/1 carried out in the testing laboratories of the independent VDS Schadenverhütung GmbH and Deutsche Akkreditierungsstelle Technik GmbH (DAkKS).

The patented locking system Stocktronic is only used in Stockinger safes. The system works separately from your building's electricity and is programmed via a concealed keypad and guarantees a superb security.

Stockinger Safety First Class GmbH has a long history with leading insurance companies worldwide.

Stockinger safe systems are highly appreciated by insurance companies worldwide.

*We, Stockinger Safety First Class GmbH, hereby declare, that the goods described above satisfy the rules of origin of the European Community (EE No. 1207/2001). We undertake to make available to the customs authorities any further supporting documents they may require.*
